Dean, School of Arts and Sciences
Ateneo de Davao University
Roxas Avenue, 8016 Davao City

Dear **Dean McNamara,**

Software Ventures International is one of the IT service provider catering to both local and foreign clients. We are a pioneer and a recognized leader in providing software and non-voice BPO services in the Philippines for the past twenty-five (25) years.

We are currently conducting an intense recruitment campaign for qualified IT professionals in the field of software development and maintenance, system and network design, and business process outsourcing.

SVI strongly believes in the value of hiring new graduates because they bring a fresh perspective and a high level of enthusiasm to their work. In return, SVI provides an excellent atmosphere for learning, exploring, growing and building careers.

As part of our recruitment campaign, we are tapping only the best schools and colleges in the land. In this regard, would like to work with your office to be able to conduct recruitment activities in-campus or set job postings at your placement office bulletins, and coordinate with school officials to gain access to your graduate and/or graduating students.

For any queries, please call our Human Resource Department at telephone numbers 633-87-88 loc 1637 or email us at hrd@svi.com.ph and mtan@svi.com.ph.

We look forward to building a strong relationship with your institution by providing employment opportunities that will help your graduates pursue a career in the IT industry.

Thank you very much for your support.

Very truly yours,

A handwritten signature in black ink, appearing to read 'Dina E. Tan', written over a horizontal line.

Ma. Dina E. Tan, MBA
